Welcome to Ålesund

Arrival: 7.00am

All on board: 4.30pm

Ålesund looks quite different to other Norwegian towns along the country's west coast now better known as simply 'Fjordland'. Stretching across three islands at the mouth of the magnificent Geirangerfjord, Ålesund's architecture is now an eclectic mixture of mock-Gothic and neo-classical with more than a dash of Art Nouveau. Turrets and spires dot the skyline and you can trace the town's trend setting style development at the Art Nouveau Centre, one of several fascinating museums in the town.
